Materials Functions

Welcome to the Materials on-line documents.

Disclaimer Statement: These documents are being furnished electronically to you for your information only. While every effort is made to keep these documents up-to-date and as accurate as possible, the user is advised that the official hard copies are maintained in the office of MoDOT's Construction - Materials, P.O. Box 270, 1617 Missouri Blvd., Jefferson City, Missouri 65102. Questions or comments regarding accuracy, intent or needed changes should be directed to the appropriate contact (click here). In case of questions or conflict, the hard copies on file in the above-mentioned office are considered to be the final response.
