Fifth Annual
TRAC Summer Transportation Conference

Got Plans for the summer?

Join the MoDOT TRAC team July 25-28 for three days of excitement at the Fifth annual TRAC Summer Conference. Held on the campus of Lincoln University the conference exposes students to the field of civil engineering. Students from across the state will become civil engineers for a day by conducting experiments at the University of Missouri Columbia's College of Civil Engineering. Other activities include bridge design, building and testing, MATHCOUNTS and SIM City competitions.

Who's eligible?

Students who will be attending the 8th, 9th, or 10th grade in the 2006-2007 school year.

What's the cost?

Free!
